**Egg Cutter, Stainless Steel**

art.	Dia	Length	Lbs
42597-00	2 1/2"	8 1/4"	0.2

This wire cutter was designed for wedging hardboiled eggs in a single motion. The frame and cutting wires are made of a stainless steel.

SS

**Mushroom Cutter, Stainless Steel**

art.	Dia	Length	Lbs
42598-00	3"	8 1/8"	0.2

This slicer makes the task of cutting mushrooms quick and easy. It is made of a stainless steel frame and sharp stainless steel cutting blades with 1/4" spacing. A locking mechanism keeps the slicer closed when not in use for easy storage and added safety.

SS

**Avocado Slicer, Stainless Steel**

art.	Length	Lbs
48286-62	9"	0.3

When it comes to slicing avocados, this is the perfect tool for the task. The cutting wires create uniform slices. The slicer is constructed of 100% stainless steel.

**Hamburger Mold, Aluminum/Stainless Steel**

art.	Width	Length	Ht.	Lbs
A3002142	0	4"	4"	0.8

This two-piece press quickly packs ground meats into perfectly-shaped patties that won't break apart while cooking. The base is made of stainless steel, while the spring-loaded plunger-style top is made of heavy-duty cast aluminum that pushes down evenly for consistent results. Not limited to standard beef hamburgers, the press is also perfect for making burgers from poultry, game and vegetarian fillings, plus stuffed burgers, sausage patties for breakfast sandwiches, and more. Makes patties that measure up to Dia 3 5/8" x Ht. 5/8". Handwash aluminum press.

**Herb Shears**

art.	Length	Lbs
18277-00	7 3/4"	0.3

Herb shears are an ideal way to chop, cut or mince fresh herbs neatly and quickly to add to dishes, or for garnishes. Made up of five stainless steel blades, the handles offer a comfortable grip and added control. Dishwasher-safe.

SS

**Herb Mill, Stainless Steel**

art.	Width	Length	Lbs
42558-00	2 3/4"	8 1/2"	0.5

This 100% stainless steel mill is perfect for mincing fresh herbs.
