Single Speed Rails and Locking Covers

Dimensional Information

SSR- X

Single Speed Rails are available in one inch increments from 12" to 84" in length. The model number designation is SSR- X , where X = the length of the unit in inches. Speed rails over 48" also have a center support.

SSRC- X

Single Speed Rail Locking covers are available in one inch increments from 12" to 48". The model number designation is SSRC- X , where X = the length of the unit in inches. Use multiple covers for speed rails longer than 48". (NOTE: 24" and 29" deep Liquor Displays require multiples of four and five locking covers, respectively)
