The **V12** series leads the commercial value category of Nickel Metal Hydride (NiMH) battery rechargeable systems. Designed specifically to perform in demanding foodservice operations, the **V12** system is available in a naturally flickering Amber LED color and offers a convenient USB charging connection.

**V12** Rechargeable LED Candles will fit most Hollowick lamps and holders

- ◆ Easy to use **push-button on/off candle bottom switch**
- ◆ Nickel Metal Hydride (NiMH) Batteries - A 10-hour charge produces up to 14 hours of run time
- ◆ Convenient USB Charging adapter will operate with any USB hub or power connection. Use any multi-port USB hub to charge multiple trays at one time.
