

FENCING

Versatile, decorative resin fencing. Attractive lattice panels can be assembled and fitted to design & define your patio space. Made of U.V. stabilized 100% prime resin to resist color fading and weather - will not rust or splinter. Posts, bases and connectors sold separately.

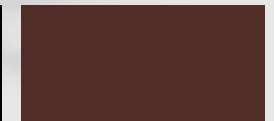

- Easily removable for storage at the end of the season
- No painting, sanding, or refinishing necessary. Power-wash for easy cleaning
- Each post and base interlocks and can be filled with water or sand to 50 lbs. for extra stability (sold separately)
