Sterno Hand Sanitizer – Refill sold separately

- ### Features & Benefits
- 1000mL capacity, refillable dispenser helps reduce maintenance
 - Automatic, touch-free activation releases 1.5mL of hand sanitizer gel per dose, to minimize cross-contamination and prevent the spread of bacteria
 - Clear-View window provides visibility to easily monitor gel refill level
 - Easy to wall-mount with included screws or adhesive strips
 - Refill with Sterno Hand Sanitizer Gel for an eco-friendly hand sanitizer solution
 - ADA compliant in force and one-handed operation, offering accessibility to people with disabilities
 - Minimal assembly required. Uses 4 C-cell alkaline batteries (not included).
 - Ideal for high traffic hallways, kitchens, restrooms, and waiting areas

Master Case Pack: 12
