

# FF31L7NZ

26.13" x 17" x 19" (H x W x D)

Compact commercially approved Nutrition Center series all-refrigerator in white with front lock and digital temperature display

### Highlights:

Commercially listed to NSF-7 standards and meets UL-471

Digital temperature display and audible alarm allows easier temperature monitoring as recommended by JCAHO

Thermometer is NIST calibrated in our ISO/IEC 17025:2005 laboratory

### Product Features:

|                                     |                                                                                                                                                                                                 |
|-------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Commercially approved               | ETL-S listed to NSF-7 commercial standards for food and beverage storage                                                                                                                        |
| NIST calibrated temperature display | Thermometer provides continuous display of the current and high/low temperature to the nearest tenth of a degree, with a readout switchable from Celsius to Fahrenheit at the touch of a button |
| High/low temperature alarm          | Audible alarm sounds if the interior temperature rises or falls out of set range                                                                                                                |
| Versatile display                   | Temperature display can be switched from Celsius to Fahrenheit at the touch of a button                                                                                                         |
| Automatic defrost                   | No-frost convenience for reduced user maintenance                                                                                                                                               |
| Digital thermostat                  | Electronic controls offer more precision in temperature management, with a readout viewable in Celsius or Fahrenheit                                                                            |
| Factory-installed lock              | Keyed lock for a secure interior, with two keys included                                                                                                                                        |
| Adjustable chrome shelves           | Rearrange the refrigerator space to fit any sized item or remove shelves for simple cleanup                                                                                                     |
| LED lighting                        | Interior LED lighting offers an energy efficient view in an attractive blue hue                                                                                                                 |

## FF31L7NZ Specifications:

| Overview                   |                   |
|----------------------------|-------------------|
| Height of Cabinet          | 28.0" (71 cm)     |
| Height to Hinge Cap        | 26.13" (66 cm)    |
| Width                      | 17.0" (43 cm)     |
| Width with Door Open       | 17.75" (45 cm)    |
| Depth                      | 19.0" (48 cm)     |
| Depth with door at 90°     | 34.75" (88 cm)    |
| Capacity                   | 2.5 cu.ft. (71 L) |
| Defrost Type               | Automatic         |
| Door                       | White             |
| Cabinet                    | White             |
| US Electrical Safety       | ETL               |
| Canadian Electrical Safety | ETL-C             |
| Sanitation                 | ETL-S             |
| Amps                       | 1.3               |
| Voltage/Frequency          | 115 V AC/60 Hz    |
| Weight                     | 58.0 lbs. (26 kg) |
| Shipping Weight            | 62.0 lbs. (28 kg) |
| Parts & Labor Warranty     | 1 Year            |
| Compressor Warranty        | 5 Years           |
| Refrigerator Features      |                   |
| Door Swing                 | RHD               |
| Reversible                 | Yes               |
| Shelf Type                 | Chrome            |
| Shelf Qty                  | 4                 |
| Adjustable Shelves         | Yes               |
| Thermostat Type            | Digital           |
| Refrigerant Type           | R600a             |
| Refrigerant Amount         | 0.6oz.            |
| High Side PSI              | 270.0             |
| Low Side PSI               | 103.0             |
| Interior Light             | Yes               |
| Temperature Range          | 35 to 39°F        |
| Dimensions                 |                   |
| Interior Height            | 21.25" (54 cm)    |
| Interior Width             | 13.5" (34 cm)     |
| Interior Depth             | 14.75" (37 cm)    |
| Compressor Step Height     | 7.5" (19 cm)      |
| Compressor Step Width      | 13.5" (34 cm)     |

Compressor Step Depth 5.0" (13 cm)
