

MIXING BOWLS AND COLANDERS

HIC Essentials Colanders and Mixing Bowls are made from high-quality 18/8 stainless steel and 100% pure, heat-resistant silicone (to 500°F) with no fillers. Flexible, non-stick and dishwasher-safe. We use materials that not only meet, but exceed, FDA standards.

A portion of the proceeds from the sale of all HIC Essentials items is donated to C-CAP

MIXING BOWLS
