

# GRIDDLES, CHARBROILERS, HOTPLATES

## GRIDDLES COUNTERTOP

Designed with a focus on durability our griddles offer unique features. We make our own Vitreous Enamel (Porcelain Enamel) and we apply the enamel in unique ways to help with corrosion protection. We apply it on our griddle's burners and drip tray making our griddles more durable than most. Additionally, our griddles are gas only, 3/4" polished steel griddle plate, has manual independent controls, adjustable polished chrome steel legs, and all units come with a LP conversion kit. 2 years parts and labor.

CG36

### NEW GRIDDLES

Model	Width	Control Valves	Griddle Plate	BTU / Power	GAS	Dimensions
CG18	18"	3 manual	3/4" Thick, highly polished	45K BTU	NG / LP	18"W x 31"1/2D x 17"1/2H
CG24	24"	2 manual	3/4" Thick, highly polished	60K BTU	NG / LP	24"W x 31"1/2D x 17"1/2H
CG36	36"	3 manual	3/4" Thick, highly polished	90K BTU	NG / LP	36"W x 31"1/2D x 17"1/2H
CG48	48"	4 manual	3/4" Thick, highly polished	120K BTU	NG / LP	48"W x 31"1/2D x 17"1/2H
CG60	60"	5 manual	3/4" Thick, highly polished	150K BTU	NG / LP	60"W x 31"1/2D x 17"1/2H

#### Crated Dimensions:

CG18	34"D - 23"W - 18.5" H	weight 174lbs
CG24	34"D - 29"W - 18.5" H	weight 210lbs
CG36	34"D - 40"W - 18.5" H	weight 289lbs
CG48	34"D - 52"W - 18.5" H	weight 370lbs
CG60	34"D - 64"W - 18.5" H	weight 450lbs

## CHARBROILERS COUNTERTOP

Our Charbroilers define durability. They come with a heavy duty cast iron radiant and top grates both made at our foundry. We apply enameled steel on the burners and drip tray for added corrosion and heat protection. We also placed burners every 6", providing maximum output, flexibility, and easier temperature control. Additionally, the Charbroiler has an all welded heavy duty reinforced firebox. It also has a 2 years parts and labor warranty and all units come with an LP conversion kit.

CGG24

### NEW CHARBROILERS

- \* Enameled steel burner;
- \* Heavy duty cast iron top grates;
- \* Heavy duty cast iron radiant;
- \* Enameled steel grase tray.

#### Crated Dimensions:

CGG18	34"D - 23"W - 18.5" H	weight 181lbs
CGG24	34"D - 29"W - 18.5" H	weight 215lbs
CGG36	34"D - 40"W - 18.5" H	weight 303lbs
CGG48	34"D - 52"W - 18.5" H	weight 397lbs

## HOTPLATES COUNTERTOP

Heavy Duty, gas only, cast iron double burners, independent controls, removable cast iron grates, stainless steel body and adjustable polished chrome steel legs. All units come with an LP conversion kit. Comes with 2 years parts and labor warranty.

FA4M

### NEW HOTPLATES

Model	Width	Control Valves	BTU / Power	GAS	Dimensions
