BBS36C

A small yet robust front-facing bar-prep system designed with Tobin Ellis’ Zero-Step Bartending approach to increase throughput, reduce labor cost, improve bartender wellness, and enhance hospitality.

- 27-5/8” Depth – The original! Designed to fit next to Perlick x Tobin Ellis Signature Series line of underbar product.
- 24-3/4” Depth – Newly designed to fit next to Perlick’s Top Shelf Full Depth line of underbar product.

DELIVERS MORE PROFITABILITY FOR OWNERS

- Lowers labor costs by putting bar prep at each station, allowing barbacks to focus on other tasks
- Keeps bar fruit and juices fresh longer at proper holding temperature which lowers food cost
- Increases bartender throughput by eliminating wasted motion behind the bar
- Top drawer holds up to 12 ninth-pans of fresh bar ingredients in-place and to exact temperature all shift long!
- Bottom drawer holds up to 20 liters of backup juice, mixers, or opened wine and champagne bottles
- Engineered and built to withstand the punishment high-volume bars dish out

SOLVES CRUCIAL BARTENDER PAIN POINTS

- Reduces bartender bending, stooping, and wasted motion behind the bar
- Keeps bartenders eyes up and forward enhancing the guest experience, speed of service, and genuine hospitality
- Eliminates bartenders turning their backs on guests or leaving the bar just to restock basic bar prep
- Truly brings the bar to the kitchen with the first-ever front-facing bartender refrigeration, just like chefs use on the line
- Lower drawer re-engineered to allow for zero-step storage of the tallest liters – including pour spouts! (SS #285-50)
- Ergonomically-designed 36” drainboard top keeps between 48-72 clean glasses and tools at the bartender’s reach to eliminate bending

Additional Features

- Stainless steel interior & top for long life durability and easy-to-clean hygienic storage
- 2” Foamed-in-place more sustainable insulation provides energy savings with zero ozone depletion
- Anti-sweat heater in drawer mullion helps prevent cabinet face condensation in harsh environments
- Choose compressor mounted on left or right side to perfectly match your Tobin Ellis Bartender’s Cockpit
- NSF-Listed digital controller allows for easy and precise temperature changes
- 1 Year Parts and Labor Warranty, 5-Year Compressor Warranty
- Drawer locks standard
- Made in USA
