**Mixology
 Bottle Racks**

BRM15

Product Information

BRM15
 (Bottles not included)

The BRM15 stainless steel mixology bottle rack fits into an IBA-12 or C-IBA-12 model ice bin or the bottle well of a CBA or C-CBA model combo ice bin to provide ice-chilled storage for 15 elixir bottles.

When placed on a layer of ice inside the ice bin liner, the stainless steel rack allows the ice to chill the bottles, yet keeps the bottles organized and dry.

The rack openings are 3" by 3". Bottles are not included. Tablecraft 916 (16 oz.) or 9085 (8.5 oz.) olive oil bottles are recommended.
