

• WESTPORT Adirondack Chair

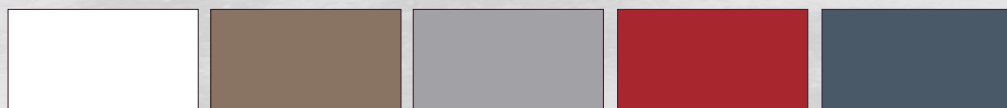

While true its classic look with realistic wood texture - this ASTM-B tested chair has a higher and wider seat than the average Adirondack, making it easy to get in and out. Comes fully assembled for immediate enjoyment.

- Stackable for daily and seasonal storage
- Seat 3" higher than average for easier sitting and standing
- 4" wider than average with exceptional lumbar support
- Light enough to handle but withstand heavy winds (22 lbs)
- 400 lbs weight capacity for superior strength and durability
