

# PATIENT TRAYS

## Thermal Aire III™ Individual Meal Patient Trays

Specialty systems such as Thermal Aire III™ and Meals On Command® use high-quality trays configured specifically for this equipment.

- **Durable:** Features a raised edge to keep tray top items in place, and has a stackable design for efficient storage
- The middle flat channel allows the Thermal Aire III™ to slide into the center panel of our Dinex Meals On Command® and Thermal Aire™ retherm units to maintain proper hot and cold temperatures until ready to serve
- **Easy Care:** Commercial dishwasher safe and three compartment sink compatible, making cleaning a breeze
