

V12™ Rechargeable LED Candle Series*

The V12 series leads the commercial value category of Nickel Metal Hydride (NiMh) battery rechargeable systems. Designed specifically to perform in demanding foodservice operations, the V12 system is available in a naturally flickering Amber LED color and offers a convenient USB charging connection.

- Easy to use push-button on/off candle bottom switch
- A 10-hour charge produces up to 14 hours of run time
- Convenient USB-connection power supply included. For best results use USB connectors with 1 amp per plug output.

V12 Rechargeable LED Candles will fit most Hollowick lamps and holders

90-Day limited warranty
