

# CHANNEL®

## Stocking Trucks CHROME CONSTRUCTION

Channel's broad selection offers the best solutions for your applications.

- Mobile, multi-purpose stocking trucks designed for transporting bins, boxes, and supplies throughout your facility.
- Designed for efficient use in tight spaces such as storage rooms and narrow hallways.
- All-welded, chrome-plated tubular steel construction for strength and durability.
- Available with solid or wire mesh top shelf (STKC200), or solid bottom shelf (STKG400).
- 5" full-swivel, non-marking casters bolted to frame for smooth maneuverability and easy replacement.
