

DAMASCUS STEAK KNIFE

DAMASCUS STEAK KNIFE

Known for its beautiful aesthetics and respected by master chefs, Damascus steel has been highly valued for centuries. Now, you can elevate your guests' experience with the distinctive wavy pattern of the Reserve by Libbey Damascus steak knife. Supported by a hard, flexible blade, its sleek, sharp edge slices smoothly through entrees in the perfect blend of beauty and function.

Damascus Steak Knife
Item No. 201 2893
Length: 9¾"
1 doz.
SCC L736676

FEATURES & BENEFITS

- 9.8-inch steak knife is made from 13/0 stainless steel, which features a distinctive wavy pattern
- Non-serrated blade with pointed tip cuts cleanly through meat and vegetables
- Wood handle adds warmth to the presentation
- Reserve by Libbey logo on handle rivet
- Dishwasher safe, but we recommend hand washing with warm water and a mild detergent and thoroughly drying after cleaning
- Store in knife block, magnetic strip, or dedicated knife case to protect knife; sharpen and oil blade regularly for best performance
