Channel Dunnage

Dunnage Rack with Grid

Mobile Dunnage Rack with Grid

► **STURDY CONSTRUCTION** - provides heavy duty storage space for bulk goods. Steel channel dunnage shelf and digital posts combine for strength and stability.

► **MAXIMUM VERSATILITY** - available in GOLD BOND®, as well as Plating Plus™ and Super Seal™. Mobile and stationary units available.

► **EASY AND QUICK ASSEMBLY SAVES TIME AND MONEY** - the combination SURE LOCK™ corner inserts and large diameter shelf corners make our "no tools required assembly" simple and fast.
