SMART SOLUTIONS™

What is the frieling feeling?

The **frieling feeling**™ has provided us guidance over more than 3 decades: It's about our commitment to you, our customers. It's about providing a rewarding and empowering workplace for our team. It's about doing what we love. And so much more.

As we launched our new branding in 2021, our new tagline was born: **smart solutions**™. It serves as our constant reminder to offer problem solvers that get the job done and are made to last. Bonus points for being beautiful design objects! Products that are made for the user. Not just another product in another color or shape.

We invite you to browse this catalog. It's bursting with best-selling categories as well as innovation and design. Let us know what you think!

FRIELING ROLLING PINS

These heavy duty rolling pins are crafted of non-porous hardened maple right here in the USA. Pins arrive lightly oiled; the handles are lacquered. Made to last – lifetime warranty.

FRENCH ROLLING PIN

The ideal rolling pin for thin and even dough such as pie crust and pastry dough. It also produces perfectly rounded edges. The lightweight and tapered French pin offers greater maneuverability and pivots quickly for fluid movements. You'll enjoy the controlled pressure and increased feel.

CLASSIC ROLLING PIN

Superior quality, classic design for all types of dough (pie crusts, tarts, cookies...). For increased efficiency and longevity, the handles are fitted with rust-proof nylon bushings. To avoid sticky fingers and handles, the handles are lacquered.

STRAIGHT ROLLING PIN

Professional straight dowel design makes this pin perfect for large amounts of dough. We love it for pie crust, cookie, or pasta dough. Despite its large surface area, it allows for utmost precision and control. You'll appreciate the additional leverage that this pin provides. Also great for crushing pretzels, graham crackers, candies, and more.

GRANDE ROLLING PIN

Where weight and size matter, e.g. when working with large amounts of dough, the heavy duty GRANDE comes to your rescue. Fitted with rust-proof nylon bushings for a smooth, even result. The handles are lacquered to keep both hands and handles clean.

SALT, PEPPER & SPICE MILLS WITH PRECISION CERAMIC GRINDING

All Zassenhaus salt & pepper mills have a high precision ceramic grinding mechanism inside:

Stainless steel spindle ensures optimal alignment, resulting in 100% uniform output 100% of the time.

Two-stage process:

- Spice is coarsely cracked
- Spice is cut, not crushed, to desired degree

Hardest ceramic material remains sharp forever.

Ring to adjust the grinding degree
Selected setting is visible at all times and remains set until you change it.

Made in
Germany

5-Year chip warranty. For all round and oval plates, bowls, saucers, and platters that have a rolled edge.

Color and size match. We guarantee a 100% match in color and size—between patterns and production runs, even years apart.

Exceptionally practical. No more metal abrasion, scratched surfaces, or unsightly marks thanks to diamond-polished feet.

Durability and break resistance. Firing twice, with the second firing at the highest possible temperature of 1,450°C (2,642°F), gives our product extreme hardness, durability, break and scratch resistance. It is oven, microwave, and salamander safe.

CA Proposition 65 compliant. Regularly tested by independent institutes to ensure purity and safety. Lead and cadmium free.

The perfect canvas for your culinary creations. No other brand gets even close: A state-of-the-art production facility and 110+ years of expertise result in smooth hard-porcelain of timeless beauty. The well of each plate and platter is absolutely level. And no, our plates don't wobble.

German quality without the German price™. You'll be amazed at how affordable top quality can be.
