MOBILE LANDING TABLE

Mobile Landing Table

This Mobile Landing Table is an ideal solution for storage, workspace, and preparation. Make the most of your space with our sturdy mobile design.

Features:

- All welded stainless steel construction
- 16 Gauge stainless steel landing pan
- Maneuvers easily on (4) 5" polyurethane swivel casters, 2 with locks
- Optional add-on utility rack
- Holds (6) 18" x 26" sheet pans

Options:

- Optional add-on utility rack that easily attaches to either side of landing rack shoulder

Benefits:

- Top is removable to create a food preparation area and for easy cleaning
- Create a work station wherever needed with mobile design and locking casters
- Curved top edges makes frying prepared food convenient and mess free, eliminating spills and droppings.
- Utilize space with the convenient small and sturdy design
- Perfect to use as a chopping station, a dump station, and for other food preparation
- Stores up to 6 trays for easy movement of product from one station to another
- Add-on utility rack offers convenience to store kitchen utensils
- Stainless steel construction is sanitary and durable
