- 1-5/8" diameter 16 gauge stainless steel
- Stainless steel bullet feet

Materials

- 20 gauge stainless steel parts include: all components unless otherwise noted
- 18 gauge stainless steel parts include: one-piece top, front rail and back splash
- 16 gauge stainless steel parts include: sink bowls

Two Compartment Sinks feature an exclusive one-piece 18 gauge stainless steel top that is seamless from the front rail all the way through the backsplash. Drainboards, where included, are a seamless and integral part of the worksurface. The seamless welded bowls are 16 gauge fabricated stainless steel. An 'L' or 'R' suffix in the model number designates the location of the sink compartment as left or right when there is only one drainboard.
