

Molded Melamine Tabletop 36" Square

With or Without 1.5" Umbrella Hole

Molded Melamine is produced using a molded wood/resin body with a fusion bonded melamine top surface texture. Our stringent quality standards ensure that your new tabletop will resist fading, scratches, burns and most common food stains. These classic tabletops are designed for busy cafes, restaurants and outdoor seating areas, and work perfectly with a wide selection of Grosfillex table bases.
