Specifications

Merco's innovative design will hold multiple trays of hot prepared food in independently time-controlled slots.

Crew friendly intuitive touch screen controls make the unit easy to operate. Colorful displays can easily be viewed from across the kitchen, allowing users to quickly visualize food status.

The Merco Visual Holding Cabinet takes the worry out of maintaining food quality while holding a wide range of foods safely. Merco's exclusive Tray Tracking Technology allows for touch-free timer starts and tracking of trays as they are sequenced throughout the cabinet or your kitchen.

Merco's innovative technology gives you a holding cabinet with premier technology, versatility and reliability. Call Merco for more information.
