All Welded Shelving - H.D. Series

All Welded Heavy Duty Shelving is ideal for correctional facilities, supermarkets, hotels and institutions. With a one-ton weight capacity and heavy duty, bar style shelving, these units are built to organize large, heavy boxes and items.

These shelves are built to stand up to the rigors of around-the-clock usage! Primary Grade Aluminum construction is guaranteed to not rust or corrode, making these units idea for ANY environment. Shelves are not adjustable, which makes them a great choice for prisons and other institutions.

- Available in several sizes, including two-, three-, and four-shelf units. If you can't find a shelving unit to fit your space, we can custom build one for you!
- All seams are fully welded, meaning no cracks or crevices that trap dirt and bacteria.
- Tamper-Proof bolts are available as one of our Prison Package options.
- Mobile units are available with either 5" or 6" plate type casters with threaded plates that are welded to each corner of the base; Providing additional strength and stability to the unit.
- Mobile units are built differently than freestanding units, and therefore are only available installed by our factory.
- Lifetime Guarantee against material defects and workmanship.
- Lifetime Guarantee against rust and corrosion.
- NSF Certified.
