

PASTRY

Hi-Heat Pastry Brush

art.	Width	Length	Lbs
47640-25	1"	8"	0.04
47640-35	1 3/8"	8 1/2"	0.10

These high-heat pastry brushes are perfect for working with a wide range of items, from simple syrups to glazes and melted butter. The fine bristles are similar to boar's hair bristles, but are made of nylon, making them perfect for vegan kitchens. They additionally have a non-stick finish for easy-cleaning. Heat-resistant to approximately 300 °F. Dishwasher-safe.

Pastry Brush, Composite Handle

art.	Width	U Pack	Lbs
47642-30	1 1/8"	6	0.1
47642-40	1 1/2"	6	0.1
47642-60	2 3/8"	6	0.2
47642-70	2 3/4"	6	0.2

These pastry brushes are commonly used to coat pastry strips with egg mixture or to coat baking sheets with butter. Natural bristles.

PP
