

PARSONS

Make every moment of the meal memorable with the sculptural profile and satin finish of Parsons flatware.

Named for trailblazing Black metallurgist James Parsons, this elegant 18/8 stainless steel collection is comfortable in the hand, with a heavier weight and thick, totem-shaped handles for a difference guests can feel. Simple yet unique, Parsons is the versatile complement to a variety of tabletop settings.

FEATURES & BENEFITS

- Elegant 18/8 stainless steel flatware features oval-shaped handle
- Smooth, satin finish
- Sculptural profile features greater depth and overall weight
- Dinner knife has 13/0 blade
- Durable and dishwasher-safe
- Patent-pending Libbey design
