

Mini Stations

Mini Stations with Spoons

- Built around exclusive 1/9-size jars, Mini Stations pack a lot in a small footprint, while displaying your fresh toppings safely under a clear hinged lid
- Insulated to hold cold food with ice packs, so those chocolate chips don't stick together in warm wait stations or outdoor breakfast bars
- Provide up to (4) hours of cold food holding with eutectic ice packs or ice
- Stations include an insulated stainless steel base, plus:
 - > (2, 3 or 4) 87203 1/9-size, black jars with 60-oz capacity
 - > (2, 3 or 4) 87253 clear hinged lids
 - > (2, 3 or 4) 85156 clear 1/2-oz serving spoons

Ice packs make changeouts quick & easy – order enough to swap out every 4 hours.

- > 2 jar base accepts (1) ice pack
- > 3 or 4 jar bases accept (2)

model/item	application	ice packs accepted	description	capacity	dimensions (HxWxD)	weight
a MB-2 87470		(1)	(2) jar, lid & spoon station	(2) 1/9-jars, 60 oz	9 7/16" x 10" x 8 1/4"	6 lb
b MB-3 87290		(2)	(3) jar, lid & spoon station	(3) 1/9-jars, 60 oz	9 7/16" x 14 1/16" x 8 1/4"	8 lb
c MB-4 87480		(2)	(4) jar, lid & spoon station	(4) 1/9-jars, 60 oz	9 7/16" x 18 1/16" x 8 1/4"	9 lb

Polycarbonate spoons contain BPA

47%

of consumers eat three or more snacks per day — a number that's even higher for Gen Z and Millennials.
