

# ALFZ37BSSTBFROST

32" x 19.88" x 22.5" (H x W x D)

COLD CAVERN beer froster, Summit's built-in undercounter ADA compliant freezer that stores aluminum bottled beer at 24°F; manual defrost operation with SS door, towel bar handle, and black cabinet finish

### Highlights:

- Designed to store beer just above the freezing point
- Just 32" high for an easy fit under lower ADA compliant counters
- Flexible design allows built-in or freestanding use in 20" wide spaces

### Product Features:

|                       |                                                                                                                                                                                                                        |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Beer Froster          | Specially designed to keep lighter brews at their coldest possible serving temperature                                                                                                                                 |
| Pre-set to 24°F       | Ideal temperature for storing aluminum bottles and cans of ice cold beer                                                                                                                                               |
| Built-in capable      | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                                                              |
| ADA compliant design  | 32" height allows easy installation under lower ADA compliant counters                                                                                                                                                 |
| Adjustable thermostat | Digital thermostat offers easy temperature management with a readout in Fahrenheit or Celsius                                                                                                                          |
| Adjustable shelves    | Three adjustable wire shelves for optimal storage in the 2.68 cu. ft. interior                                                                                                                                         |
| Door shelves          | Three removable door racks for accessible storage of bottles and cans                                                                                                                                                  |
| Stainless steel door  | Stainless steel door adds durability in an elegant design                                                                                                                                                              |
| 3" thick door         | Improved insulation for an efficient performance; NOTE: due to the oversized design, the door does open in its own radius. If installing this froster against a wall, please see our drawings to ensure adequate space |

ALFZ37BSSTBFROST Specifications:

| Overview                   |                    |
|----------------------------|--------------------|
| Height of Cabinet          | 31.75" (81 cm)     |
| Height to Hinge Cap        | 32.0" (81 cm)      |
