The design of this fluted non-stick loaf pan, known as a Rehrücken mold, is meant to imitate a bowed-back cut of meat. The Austrian cake is traditionally comprised of a chocolate-almond cake that is covered with a chocolate glaze and studded with slivered almonds. The ridged pattern of the pan serves as a slicing guide, while the wide top and non-stick finish ease the release of the finished sponge. PFOA-free. Dishwasher-safe.
