

Tray Delivery Carts

Stealth™ Tray Cart (See page 46, 47)

- Formed side panels minimize 'drumming' noise
 - Pivot travel pressure latch eliminates transport vibration
 - Formed 1-piece ledge panel design (5-1/4" spacing) eliminates seams and joints
 - Pull-type door with magnetic closure and hold-open with ergonomic full-height door grasp for easy opening
 - Friction cam ledge mounts eliminate vibration noise when full or empty
 - Wide, 6" cushion-tread casters (2 ea. rigid, 2 ea. swivel) are specifically engineered for noise reduction
- Freight Class 125*
