Adcraft Convection Oven, 4 Half-Size Sheet Pan Capacity, in Stainless Steel

COH2800S

Elevate your kitchen's efficiency with the Adcraft Convection Oven, designed for commercial reliability and performance. Made from SUS430, aluminized sheet and cold rolled sheet, it ensures durability and consistent cooking results. With a capacity to hold four half-size sheet pans, it caters to high-volume cooking needs. The oven operates within a temperature range of 120° to 570°F, offering flexibility for various recipes. Featuring thermostatic control, it simplifies operation, while its easy-to-clean design supports daily maintenance.

Features and Construction

- Made with high-quality SUS430 stainless steel for durability
- Operates on 240V with a NEMA 6-20P plug type
- Features advanced convection technology for even cooking
- Accommodates 4 half-size sheet pans for high-volume cooking
- Freestanding design without casters for stability
- Sensor cooking technology ensures precise results
- Equipped with a thermostatic control type for precise temperature management
- Temperature range of 120° to 570°F for versatile cooking
- Features a drop-down door for easy access
- 120 minute timer and interior light for better food visibility

Electric

240V / 2800W / 11.7A
Cord Length (Inches): 59"
Plug Type: NEMA 6-15P
Cord set included

NEMA 6-15P

3rd Party Approvals

Warranty (USA / Canada)

Protected by Admiral Craft Equipment Corporation's one-year limited warranty.
