

T23 Multi-Mat™ II Black

General purpose reversible drainage rubber mat that offers anti-slip traction

Multi-Mat II™ is a reversible drainage mat that offers anti-slip traction in wet or greasy areas. Made from general purpose (Black) and heavy-duty nitrile (Red) rubber compounds for varying degrees of grease and oil protection, Multi-Mat II™ is available in sheet sizes or rolls for longer length application requirements. Its reversible construction design adds to the service life of the mat and a drainage system removes liquids from the work area. A low profile allows for easy cart access.

Stock Sizes	2'x3', 2'x8', 3'x4', 3'x8', 4'x8'
Roll Sizes	2'x30', 2'x32', 2'x60', 3'x32', 3'x64', 4'x30', 4'x32', 4'x64'
Thickness	3/8
Colors	 Black
Product Group	Ergonomic, Anti-fatigue & Safety Matting
Environment	Wet/Dry and Oily Areas
Usage Intensity	Medium duty
Sales Tip	Exceptional non-slip properties in a reversible mat - double the service life. Drainage hole size: 1/2"
Material	Natural rubber
Product Weight sqft in lbs	1.2
Process	Compression Molding
Reach	Reach compliant (Registration, Evaluation, Authorization and Restriction of Chemicals).
