Keep Food Hot and Ready to Serve

With today's fast-paced food service operations, a Keating Keep Krisp® is your answer to serving hot, fresh tasting meals every time.

- Keep French fries crisp and golden for seven minutes.
- Fried chicken, fish, shrimp and breaded meats stay hot and crispy for a full hour.
- Roasted meats remain hot and juicy.
- Hard rolls retain their just-baked appeal.
- Gravy and sauces stay smooth and creamy.

Every Keating Keep Krisp® features:

- Durable, chrome plated shades for easy clean-up.
- Long life Keating infrared bulbs (white or red).
- Patented Bulb Protectors.
- Custom models available.
