

**BREVILLE COMMERCIAL THE JUICE FOUNTAIN XL PRO**

3 1/2 inch chute feed designed to juice whole fruits and vegetables without pre-cutting, and 115 oz pulp bin. Includes 70 oz juice jug and sealing lid with built in froth separator, and single serve juice nozzle. Variable speed to maximize the juice yield whether working with citrus, soft fruits, or hard vegetables. Cold Spin Technology™ allows juice to flow up and through stainless steel cutting disc, surrounded by Italian-made mesh filter to ensure an insignificant temperature increase. BPA-free Titan juice jug.
