

**SQUEEGEE HEADS**

**Foam Rubber = All Surfaces**

Ideal for removing water from any type of surface and floor, including tile and stone. Tends to be pulled in use.

**Synthetic Rubber = Most Surfaces**

Excellent for smooth and semi-smooth surface applications, such as warehouses and garages. Can be pulled or pushed in use.

**Hard Rubber = Smooth Surfaces**

Best for smooth or finished concrete surfaces. Ideal for removing water, snow/ice, chemicals and mud. Tends to be pushed in use.
