

PORTION CONTROL CARAFE

Adjustable lid for more control.

The Portion Control Carafe has a unique lid that lets you control portions with a twist of the lid. Set it to “LESS” for a light stream and more controlled pour, or “MORE” for a looser opening and faster pour.

Stainless Vacuum Insulated

PORTION CONTROL CARAFE

0.7 Liter (23.7 oz) | 5.5" X 3.75" X 9"
