

• Alpha Resin Base Lateral

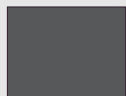

Specifically designed for indoor/outdoor hospitality food service use. Made of 100% prime resin, a material impervious to moisture, salt air, chlorine and most common food stains. Heavy duty four prong resin base with one adjustable leg leveler. Features anti-skid glides for extra stability and resistance to wear. See cross-reference for base compatibility.

- Specifically designed for Grosfillex 48" x 32" with umbrella hole food service molded melamine tables
- Available in a variety of colors to custom design your Grosfillex table with full tabletop complements
- Tabletop sold separately
