

EVO Oil Sprayer Bottles features a trigger mechanism which dispenses controlled portions (1/4 teaspoon) of your favorite oils and vinegars. The fan-shaped spray covers surfaces efficiently and uses just the right amount of oil for cooking and dressing healthy foods. Sprayer Bottles are propellant and chemical-free and are BPA, latex and DEHP free. All EVO products have been ergonomically designed by the Michael Graves Design Group

EVO™ ORIGINAL SPRAYER

- Includes labels for balsamic vinegar, vegetable, canola, olive, sesame, and peanut oil, plus a twist-on funnel for no-spill refills
