

COMPARTMENT TRAYS

Our 6-compartment trays are designed to hold government "Type A" lunches and offer a cost-effective solution for portion control. Available in a variety of materials and in left-hand, right-hand, and omnidirectional configurations, there's a tray to suit any need.

- Melamine trays are heavy and rigid, as well as scratch- and break-resistant. They dry quickly and are highly resistant to chemicals and food acids, handling temperatures from 0° to 212°F.
- Polycarbonate trays come with a five-year warranty against breakage, making them ideal for correctional facilities. They offer good scratch and chemical resistance, and can withstand temperatures ranging from -40° to 212°F.
- Polypropylene trays are an economical and durable choice, featuring good chemical resistance with a temperature range of 30° to 180°F.
- ABS trays are break- and scratch-resistant, making them excellent for general use, and are highly resistant to chemicals and food acids, with a temperature range of 0° to 180°F.
