

# CHEF SPECIALTIES

## NEW 01630 Capstan Acrylic Set *from Chef Specialties*

### Making the Operator's Life Easier

- Transparent styling; no more guessing fill levels.
- Included acrylic holder neatly contains the spice units and captures residual output for easy clean-up.
- Decorative silver handle makes for easy pick-up and transport.
- Holder provides a snug fit for fast and secure transport from the front of the house to the back.
- Pepper mill is constructed with a durable ceramic grinding mechanism that is guaranteed for life.
- Units designed 4" tall in clear acrylic to be tasteful, yet unobtrusive. Blends with most decor.
