

NEW PRODUCT GUIDE

SCALES

Our range of precision scales is expertly designed to help you control costs, ensure accurate portioning, and provide a consistent guest experience. Combining exceptional durability with user-friendly designs, these scales offer optimal value for your kitchen. Whether you require mechanical or digital solutions, we have the perfect scale to meet any application and budget, ensuring your foodservice operation runs smoothly and efficiently.

	Product Name & Item No.	Main Features
	Passo High Capacity Digital Scale SCDGP22	• Capacity: 22lb (10kg) • Increments: 0.1oz (1g) • Touch-sensitive controls make this scale easy to wipe clean • Stainless steel platform • Tare feature to remove the weight of an object placed on the scale • Easy to read backlight display
	Nutro Digital Scale SCDGN15BK	• Capacity: 15lb (7kg) • Increments: 0.05oz (0.5g) • Units: oz, lb:oz, g, fl oz, ml • Extra-large, easy-to-read backlight display • Easy to clean touch sensitive controls • Display Hold function to see measurements hidden by oversized objects • Tare function to clear the weight of a container or multiple items on the scale
	Granda Platform Scale SCDG330	• Capacity: 330lb (150kg) • Increments: 0.1lb (0.05kg) • Units: lb, kg, pieces • Extra-large stainless steel platform (15.75" x 15.75") • Counting feature: counts large quantities of small items with accuracy • Tare feature: subtracts a container's weight to obtain the weight of its contents • A/C power adapter, display mounting brackets and 9V battery included • Ideal for receiving food and inventory

THERMOMETERS

Our wide range of thermometers is designed for accurate temperature monitoring, helping you maintain both food safety and quality. Combining precision, durability, and user-friendly designs, these reliable tools ensure proper temperature control throughout your operation and let you monitor with confidence. Whether you're cooking, storing, or preparing food, our thermometers provide the accuracy and performance you need for consistent, safe results.

	Product Name & Item No.	Main Features
	Compact Folding Digital Thermometer - Black THDGFLD2	- Range: -4°F to 392°F (-20°C to 200°C) - Pocket-sized probe is compact and portable, and locks at 180° to prevent folding during measurements - Probe provides reading within 6 seconds - Large, backlit display and auto-off feature - Built-in magnet lets you attach the unit to metal objects
	Compact Folding Digital Thermometer Countertop Display THDGFLDPK18	- Range: -4°F to 392°F (-20°C to 200°C) - Excellent point-of-purchase display - Includes 18 Compact Folding Digital Thermometers: (6) black, (6) red, (6) blue
	Infrared Surface & Folding Probe Digital Thermometer THDGIFP	- Infrared Surface Range: -22°F to 716°F (-30°C to 380°C) Probe range: -22°F to 572°F (-30°C to 300°C) 2-in-1 unit checks surface temperatures in surface (IR) mode and internal temperatures in probe mode - Probe provides readings within 4 seconds - Measures surface temperature at a 5:1 distance-to-target ratio - Large, backlit display and auto-off feature
	Infrared Surface & Folding Probe Digital Thermometer THDGIIF	- Infrared Surface Range: -58°F to 662°F (-50°C to 350°C) Probe range: -4°F to 572°F (-20°C to 300°C) 2-in-1 unit checks surface temperatures and internal temperatures - Plug-in port for the included probe - Large, backlit display is easy to read and turns red when alert temperature is reached - Measures surface temperature at a 5:1 distance-to-target ratio
	Ultra-Fast Thermocouple Waterproof Folding Thermometer THDGTH	- Range: -58°F to 572°F (-50°C to 300°C) - Thermocouple technology allows for readings in less than one second - Large, backlit, rotating display, foldable probe, and IPX7 waterproof design - Rechargeable lithium-ion battery - Built-in magnet lets you attach the unit to metal objects
	Digital Long Stem Thermometer THDGLSBK THDGLSRD THDGLSBL	- Range: -58°F to 572°F (-50°C to 300°C) - Available in black (BK), red (RD), or blue (BL) 5.6-inch probe keeps hands safe and provides readings within 4 seconds - Features a hanging hook for easy storage - Large display with oversized numbers, and auto-off feature
	Digital Long Stem Thermometer Countertop Display THDGLSPK18	- Range: -58°F to 572°F (-50°C to 300°C) - Excellent point-of-purchase display - Includes 18 Compact Folding Digital Thermometers: (6) black, (6) red, (6) blue
