MASTER WHIPPERS
& CHARGERS BY MOSA

CREAM CHARGERS: CLEAN AND COMPATIBLE

Made in Taiwan by Mosa, the world’s leading manufacturer
of high-pressure gas chargers.

- 100% compatible with other brands
- NSF, TUV, HACCP, Halal certified for commercial use
- Each charger contains 8 grams of 100% food grade Nitrous Oxide. N₂O is a tasteless and colorless gas that has been safely used as a propellant in the food industry for over 50 years
- Made of 100% recyclable, anodized steel
- Our factory’s arduous proprietary cleaning process guarantees zero oil residues ensuring the cleanest chargers possible

Make the switch and come over to Frieling for all your coffee & baking needs!
