

Professional Aluminum Pizza Trays & Screens

Pizza trays get thrown around, dropped, abused, and scrubbed and still need to be strong enough to use again and again, in addition to maintaining a presentable appearance. Our high quality, dependable, thick, aluminum alloy pizza pans and screens come in a variety of sizes. Choose from our own Eagleware® pizza pans, made in the U.S.A., or our quality imported pizza screens. They're both a great choice for any level of operation.

Eagleware Professional Aluminum Pizza Trays

"A" and "HA" series are standard rim trays. "SA" and "HSA" series are continental "coupe" rim trays. "FHA" are heavy-duty flat rim trays. All pans are made of .032" (.8 mm) and .040" (1 mm) (heavyweight) thick 3004 aluminum alloy. The edges are rolled for no hard-to-clean openings.
