

ALUMINUM CANTILEVER SHELVING

Cantilever Frames and Adjustable Shelves

- Frames and adjustable shelves sold separately
- Tubular base dunnage shelf is standard, and is easily removed without the use of tools for cleaning
- Up to 5 additional shelf positions. Shelves can be added or removed without tools
- Available in two shelf depths: 20" and 24"
- Clearance between adjustable shelves is 8½"
- Overall height is 72"
- Maximum load capacity per shelving unit is 2,800 lbs

How to Order:

1. Choose frame size
2. Choose tubular base dunnage shelf that matches frame size (Optional)
3. Choose type of shelf (Channel, Tubular, or Solid) and shelf size
4. Specify number of shelves (1 - 5)

Note: 24" shelves are not suggested for 20" frames.
