

# Safe & Security: Cages and Modules

**CROWN BRANDS**  
STORAGE AND  
TRANSPORTATION

## For Protection 24/7

- Available as cage only, stationary model or mobile unit.
- Heavy duty chromate finish panels have open wire construction so checking contents of cage is easy.
- Locking bar on front door hooks both the top and bottom shelf for greater security.
- Each front door opens 270° for faster and easier loading and unloading of products.
- 6 convenient sizes to choose from to handle a variety of storage needs.
- Security cages can be attached to stationary or mobile shelving units greater flexibility.
- Add additional middle shelves for greater storage capacity.
- Shipped knocked down to save on freight costs. Unit assembles easily.

## Improved EZ-Latch and Hook System for Quicker Set-Up and More Secure Closure.

### Revised Panel Hangers

Make it easier to position and drop panels into place saving valuable time during installation.

### Modified Shepherd's Hook

Guides the doors into position for a more secure closure - no more misalignment.
