

# NAUTICAL Chaise Lounge

The Nautical adjustable sling chaise without arms is specifically made for commercial use. Designed for enduring comfort with a firm, breathable and supportive sling and 4-position adjustable back. With features like recessed wheels for ease of mobility, an easy-to-replace woven vinyl coated polyester sling, and stackable for easy storage this chaise is the perfect addition to the beach or pool.

- Twice the fabric weight of other Grosfillex sling chaises for strength and color-fastness; Sanitized® for mildew resistance, “memory” sling and resin frame assembly by elastic cordage for recovery and shape retention
- Frame will not rust or peel; made of 100% first quality U.V. reinforced resin. Naturally impervious to salt air and most common stains. Cleans easily
- Rated to 300 pounds for structural strength
- Commercial grade Delrin® or nylon glides for durability, extra resistance to wear and soft standing on any surface that won't mark your deck
