*Leveling legs allow for up to 3/4" of additional height. Leveling appliance correctly will lead to less door adjustments required.

**Depth does not include door panel, minimum 5/8" door panel is required, see installation instructions for full door panel details.

ACCESSORIES

- Dual installation kits available for both handle to handle, and handle to hinge
- Stainless steel overlay for glass door with four or six inch toe kick available with and without lock for field installation

Perlick accessories are available for purchase through an authorized Perlick dealer. For a full list of accessories and to find a dealer near you, visit perlick.com.

24" SINGLE-ZONE BEVERAGE COLUMN

Panel Ready Glass Door

Max clearance required for opened door is 49-3/4" when opened to 90°* (dimensions shown are without door overlay installed.)

(Please note that door opens to 115°.)

*90° achieved when included hinge stop pin is installed. Pin must be installed prior to full integration.

PLEASE NOTE: When installing column adjacent to wall, a 2" clearance is required if door opens towards the wall.
