108¹/₄ oz.

A faux cast iron look and feel is created with high-quality textured melamine material, offering extreme durability. Tray pieces double as lids for added versatility, and the ability to securely stack lidded containers makes it easier for staff to transport cuisine easily, confidently and efficiently. These pieces are great for adding contrast to charcuterie and harvest / roasted vegetables.

A classic rimmed visual style is elegantly understated, leaving plenty of potential for creating appealing buffet arrangements. With its white rounded edges, it can complement styles that are both timeless and highly contemporary. Compatible with standard GN sized stands and covers.

Keep cuisine fresh and enhance presentation value with compatible GN covers, starting on page 60.
