

IFC Catering - Large Space Saver

Marketing Message

Our most popular Insulated Food Carrier, the Catering Large! Got Catered Lunch Orders? Delivery Solved. Lightweight and durable, our Catering line is specifically designed to transport pre-prepared food, hot or cold, in standard size food pans.

Feature Benefits

- NEW Space Saver Design
- Get The Capacity But Without The Bulk. Roomy interior fits multiple food pans, then folds flat for storage
- Sterno Watertight™ Liner No Seams. No Leaks. No Bacteria. Seamless, antimicrobial liners means longer lasting use since there are no holes that sauces or liquid can seep through to form mold, bacteria and odor in the insulation
- High Performance Insulation. Multi-layered design helps keep hot food hot, and cold food cold, by protecting it from outside temperatures while maintaining the temperature inside the IFC
- Super Tough. Constructed to outlast others on the market by using superior grade, tear resistant vinyl liner and reinforced stitching in high-abuse areas to prevent rips and tears
- Holds: 6 half size food pans and 3 SpeedHeat Kits
- Exterior Dimensions: 16" x 24" x 14"
- Interior Dimensions: 14" x 22" x 13"
