

## Two Quality Brands, One Long Warranty

### Honeywell Cable and **PLATINUM TOOLS**<sup>®</sup> are partnering to offer a 25-year Limited System Warranty.

Honeywell Cable is partnering with another exceptional brand to provide building owners with an extended warranty, reducing their risk of having to deal with long-term problems. There is no additional charge for the extended warranty – it's just further proof of our commitment to deliver best-in-class support.

#### HOW TO GET STARTED

Download and fill out registration forms at [www.platinumtools.com/25-year-limited-warranty/](http://www.platinumtools.com/25-year-limited-warranty/). The registration form and test data must be submitted within 21 days of installation completion via email to [25-Warranty@PlatinumTools.com](mailto:25-Warranty@PlatinumTools.com). Warranty requests will not be processed without complete documentation. Please allow three to four weeks for processing.

For a list of Honeywell Cable products covered under the 25-Year-Limited-System Warranty, see page 4:
