
Q-SERIES™ 6-STRAND, ST, PB INSERT, MM/SM ST ADAPTER PANEL

AP2-QTR-S1 | [Quiktron](#)

FEATURES & BENEFITS

The Q-Series fiber distribution system was designed with legacy installations in mind. We offer a comprehensive line of adapter panels (26 pre-loaded configurations) that easily install into any of our rackmount or wallmount enclosures or panels. Constructed with steel, each adapter is pre-loaded with a feed-through mating sleeve that serves as the intermediate connection between the backbone and your patch cable. Simply select your connector type, then plug-and-play.
