

## Other connectors and cables

Plug connectors and cables for custom cabling and wiring solutions

**SICK**  
Sensor Intelligence.

Product description

Custom cabling and wiring solutions are often implemented directly in the field. SICK offers the option of purchasing these solutions individually pre-assembled and ready for use – without compromising on device integration. The standard portfolio includes a variety of straight and angled product variants and different connection technologies that meet the requirements of various enclosure ratings, including IP65, IP66K and IP67.

At a glance

- Many straight and angled variants
- Different connection technologies
- Fulfills the requirements of the IP65, IP66K and IP67 enclosure rating

Your benefits

- Flexibility – customized solutions
- Performance – SICK adapts its products to your wishes
- Security – for maximum productivity

Ordering information

Other models and accessories → [www.sick.com/Other\\_connectors\\_and\\_cables](http://www.sick.com/Other_connectors_and_cables)

- **Connection type head A:** female connector, M8, 3-pin, straight, A-coded
- **Connection type head B:** male connector, M8, 4-pin, straight, A-coded
- **Signal type:** Sensor/actuator cable
- **Description:** Sensor/actuator cable, unshielded
- **Application:** Zones with oils and lubricants, Drag chain operation

Cable	Type	Part no.
0.6 m, 3-wire, PUR, halogen-free	YF8U13-C60S01M8U13	2145818
1 m, 3-wire, PUR, halogen-free	YF8U13-010S01M8U13	2145790

## SICK AT A GLANCE

SICK is one of the leading manufacturers of intelligent sensors and sensor solutions for industrial applications. A unique range of products and services creates the perfect basis for controlling processes securely and efficiently, protecting individuals from accidents and preventing damage to the environment.

We have extensive experience in a wide range of industries and understand their processes and requirements. With intelligent sensors, we can deliver exactly what our customers need. In application centers in Europe, Asia and North America, system solutions are tested and optimized in accordance with customer specifications. All this makes us a reliable supplier and development partner.

Comprehensive services complete our offering: SICK LifeTime Services provide support throughout the machine life cycle and ensure safety and productivity.

**For us, that is “Sensor Intelligence.”**
